

EAST SUSSEX NATIONAL

Golf Buggy (Ride-on) Policy including privately owned single seater buggies.

East Sussex National Limited has a duty of care to all users of the golf course. The topography of certain areas of the course is such that caution, and prudence must be shown by the user of a ride-on or single seater buggy. All buggies used at ESN are satellite tracked for safety and correct use, It is therefore recognised that all two-seater buggies used at East Sussex National must be those maintained and serviced by East Sussex National. Moreover, East Sussex National Golf must ensure the safety of golfers who do not wish to use ride-on buggies but who might be at risk from a mechanically defective ride-on buggy or its careless use. This duty of care also applies to members of the public using the various rights of way through the golf course.

Coronavirus: Covid-19 East Sussex National hand cleans and sanitises the steering wheel, seat and seat arms of golf buggies and handles of hire carts before use and in between use of another hirer. The club does not accept any responsibility for the possible transfer of COVID-19 or any other virus when hiring a buggy or pull cart.
