

New Seasonal 9-Month Memberships

East Sussex National has introduced a new seasonal membership category for full and 5-day members, with effect from 1st April 2024.

It is hoped that this new category will make provision for the vagaries of the winter weather in the UK, which can limit the amount of golf available due to course closures, combined with restrictions on trolley & buggy usage on saturated ground and areas of flood.

This new membership category will cover the period 1st April to 31st December and does not include bag storage, personal locker or reciprocal golf at Singing Hills GC.

During the period of January to March, members in this category will not be entitled to any membership privileges but will be able to play the courses on payment of a green fee.

Membership Fees:-

Full Seasonal Membership : £1695

5-Day Seasonal Membership : £1225

- Union fees remain payable as normal.
- Payment due in full on 1st April or pro-rata for mid-year applications.

Please see our website for more details or enquire at our Golf Shop.
